

## ICA NOMINATION FORM

**ICA membership procedure:** New ICA members are **nominated by current, active ICA members**. Nominees should have significant recognition as possessing the gift of apostle and exercising apostolic ministry (although some may not as yet use the title “apostle” or claim the office of apostle).

**Please answer all questions below**, as they provide the basis of our understanding of your nominee’s apostolic calling.

**A second nominating ICA member is required.** The second must be another member whom we may contact on this specific nomination. **If a second member is not available**, a reasonable explanation must accompany the nomination. These will be reviewed on a case-by-case basis.

Completed nominations are submitted through the ICA office to the Presiding Apostle, who will review and determine if the candidate will be invited at the present time. The ICA office will request a response from the seconding member on receipt of the initial nomination as needed.
